

Converge.
Collaborate.
Communicate.
www.iwceexpo.com

March 9-11, 2011
Las Vegas Convention Center
Las Vegas, NV

*From Land Mobile Radio...to Wireless Mobility...Voice...Video...Data...and everything in-between...
IWCE is the pre-eminent event for education, networking and collaboration in
the convergent systems marketplace.*

What is IWCE?

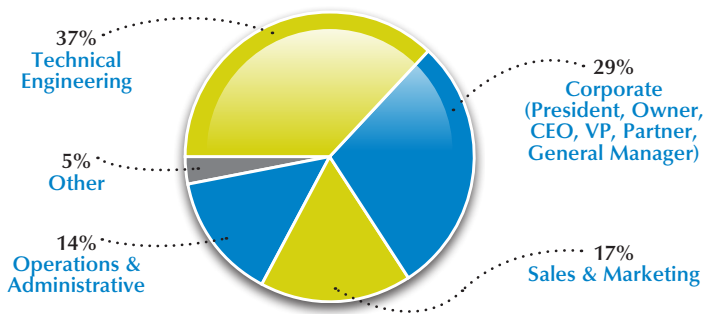

IWCE is the pre-eminent convergent communications systems event for the working world. Reach over 6,800 technology buyers from multiple industries who are responsible for the dependability, reliability and interoperability of their organization's communications system. IWCE provides the applications and solutions attendees need in order to communicate anytime, anywhere.

Who Will I Meet at IWCE?

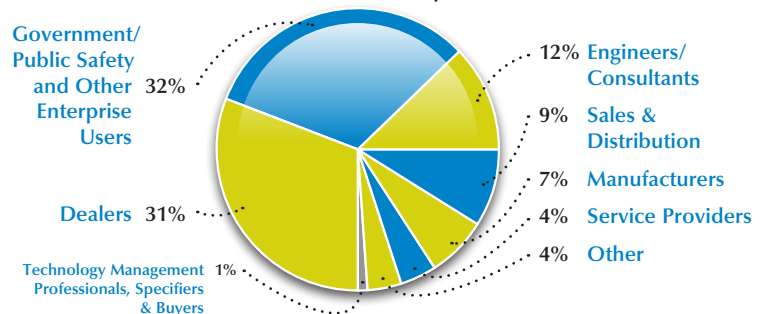

IWCE showcases a multitude of integrated communications systems solutions to a wide variety of attendees including dealers, wireless service providers, IT professionals, consultants, public safety professionals, and enterprise users from industries such as transportation, utilities, construction, education, security, etc. IWCE attendees include corporate, technical & engineering, operations & administrative, and other communications professionals.

Enterprise users in all sectors attend IWCE, including transportation, utilities, public safety, as well as dealers. Here is a sample of attendees from these segments:

Utilities

Manager, AA Portable Power Corp.
SR. RF Designer, Alexander Utility Engineering
Telecom Eng. Analyst, Alliant Energy
IT Architect, American Electric Power
Director, Amstron Power Solutions
Dir. of Engineering, Arizona Nevada Tower Corp.
Comm Engineer, Atco Gas
Electrical Engineer, Basin Electric Power Coop
Engineer, Bc Hydro
Supervisory Electronics Eng, Bonneville Power Administration
Security Manager, Brookfield Power
Comm. Tech. Supv., Burbank Water and Power
Communications Tech, Centerpoint Energy
Wireless Support, Chesapeake Energy
Telecomm Engineer, Chevron
Manager, City of LA Water & Power
Engineer, Con Edison
Energy Info. Sup., Consumers Energy
Mgr Telecom Eng, Dairyland Power Coop
President, DC Power Solutions
Radio Specialist, Denver Water
Spectrum Engineer, Dept of Energy
Sr. RF Engineer, Devon Energy
General Manager, Dixie Electric Power Assoc
Mgr Oper. & Risk, Dte Energy
President, EFB Power
Radio Licensing, Exxonmobil
Network Engineer, FirstEnergy
VP of Operations, Gibson Electric
Safety Support Admin, Golden State Water Company
Telecom Engineer, Great River Energy
System Control Supervisor, Hoosier Energy
Engineering Leader, Idaho Power Company
Radio Tech, Integrys Energy Group
Sr Telecom Tech, Kern River Gas Transmission Co
Director, Logic Energy
Sr Communications El, LA Dept of Water & PO
Dir Support Services, LV Valley Water Dist
Vice President, Mcdonald County Telephone
Comm Tech III, Metropolitan Water District
Electronics Foreman, Municipal Light Power
Engineer, Nevada Power Company
Senior IT Telecom Engineer, Northeast Utilities
Team Leader, Telecom, NV Energy
Wireless Engineer, Progress Energy
Communication Tech, PSE&G
Communications Mgr, Rocky Mountain Power
Deputy Assistant Admin, Rural Utilities Service
Systems Engineer, San Diego Gas and Electric
NBD Engineer, Sanyo Energy
Infrastructure Technician, Sempra Energy
Communications Engr, Shell Oil Co
SR. Telecom Engineer, Sierra Pacific Power
Operations Chief, South Coast Water District
RF Safety Lead, Southern California Edison
Electrical Engineer, Southern Nevada Water Authority
Network Consultant, Southern Star Central Gas Pipe
Supervisor, Southwest Gas Corporation
T&D Supervisor, Tacoma Power
Executive Director, TCT Centerpoint Energy
Electrical Engineer, Tennessee Valley Authority
Sr Comms Engineer, Terasen Gas Inc
Senior Technician, Tesoro Petroleum Hawaii
Staff Network Analyst, Texas Gas Transmission
Sales Manager, Tycon Power Systems
Assoc.Sys.Engr., Union Pacific Railroad
VP, Wescott Electric Co
Electronics Engineer, Western Area Power Admin

Transportation

Supervisor, AAA Texas
GM , Air Turkey
Radio Engineer, American Airlines
Budget Officer, Atlanta Police Airport Unit
CEO, Aviation Communications Limited
Principal Engineer, Bay Area Rapid Transit
Avionics Engineer, Bigelow Aerospace
Consulting Syst Engr., BNSF Railway
Communications Engr., Bombardier
Director I, CCSD Transportation Dept.
GM Network & Comm, Chicago Transit Authority
Project Manager, City of Houston Airport System
Airside Operations, Clark County Dept. of Aviation
Dir Advanced Engineering, CSX Transportation
Manager, Continental Airlines
Mgr. Communications, Delta Airlines
St Manager Gov & Safety, Cross Country Automotive
ITS Analyst, Department of Aviation
Asst Telecom Eng, Department of Transportation
Technician, DFW International Airport
Systems Engineer, Federal Aviation Admin.
Project Manager, GE Transportation
Manager Radio System, Go Transit
Comm Systems Proj Manager Golden Gate Bridge Hwy & Trans
Project Manager, Houston Airport System
Comm. Manager, Iowa DOT
VP Operations, Lone Star Aviation
Network Analyst, Mccarran International Airport
Communications, Medic West Ambulance
Comm Systems Spec., Metro Transit King County
Mgr Radio Systems, Metro Washington Airports Authority
Tower Technician Sr., MN DOT Elec Communications
Electronics Tech, NASA Dryden Flight Rsch Ctr
IT Manager, Nevada Dept. of Transportation
Principal Engineer, New York City Transit Auth.
Senior Analyst, Northwest Airlines
Communications M, OK Dept. of Transportation
VP Director, Park N Fly
Dispatch Supv., Pinnacle Airlines
Civil Engrg Assoc, Port of Los Angeles
GM Aviation F&I, Port of Seattle
Mgr. Dispatch Stds., SkyWest Airlines
Assoc Telecom Engineer, State of CA Dept of Transportation
Principal Engineer, Telvent Transportation NA
Network Specialist III, Texas Dept of Transportation
Radio Technician, Thurston Co. Roads and Trans.
Field Operations Supervisor, Transit Air Cargo
President, Transporter Cargo
Assoc. Sys. Engr., Union Pacific Railroad
Systems Engineer, United Airlines
President, Universal Specialty Vehicles
Lead Telecom Engineer, UPS
Communication Tech, US Airways
Engineer, Utah Transit Authority
Radio Manager, Virginia Dept. of Transportation

Public Safety/ Government

IT Section Chief, Alabama Emergency Mgmt.
Comm Section Chief, Alaska Fire Service BLM
Director, American Red Cross
Sergeant, Beverly Hills PD
Director, 911, Bonner County 911
Network Manager, Buncombe County
Dir. Special Projects, Bureau of Indian Affairs
Comm Program Mgr., Bureau of Land Mgmt
Electrical Engineer, Bureau of Reclamation
Lieutenant, Calcasieu Parish Sheriff Office
Sgt. Director, Camden Co. Sheriff's Office
President, Carbondale Fire District
Deputy Chief, Central Jackson County Fire
Assistant Director, City of Houston
Deputy Fire Marshall, City of Las Vegas FD
Comm Engineer, City of Los Angeles
Supervisor, City of Minneapolis
Manager, City of North Las Vegas
IT Manager, City of Oakland
Director of Comm, Civil Air Patrol
Communications Analyst, Clark County IT
Commander, Cleveland Division of Police
Mobile Comm Specialist, Contra Costa County
Chief, Wnoc, Customs and Border Protections
EMS Captain, DC Fire Department
Program Manager, Dept. of Homeland Security
Program Manager, DOI National Park Service
Program Manager II, Fairfax County Govt
Electronics Tech, FBI
Investigator, FDA
Dir MSTC, Federal Bureau of Prisons
DAE, Federal Emergency Management
Telecommunications Spec, FEMA
Director, Grundy County 911
Radio Comm Coord, Honolulu Police Dept
Food Monitor, Kenya Red Cross
Comm Superintendent, Las Vegas Fire & Rescue
Div Dir Radio Comm, Miami Dade County
Chief, Missouri State Highway Patrol
Operations Div Chief, Mohave Valley Fire District
Comm Technician, NASA
Engineer, National Agency of Frequencies
Telecom Manager, National Park Service
ADP Sys. Acq. Spe, Naval Air Warfare Center WD
Communications Coord, NE. Emergency Mgmt.
Comm. Sys. Mgr., Nevada Dept. of Wildlife
Hydrologist, Regional Flood Control Dist
Director Tech Asst, Sheriffs Association of Texas
Forester, State of Alaska Div of Forestry
Telecom Planner, State of Alaska DMVA
Senior Telecom Engineer, State of California
Field Engineer, State of Utah
Comm. Prog. Manager, State of Vermont
PFC, Supreme Court of US Police
Chief, NIICD, U. S. Forest Service NIFC
Systems Engineer, U.S. Air Force
On Scene Coordinator, U.S. EPA
Radio Program Manager, U.S. Geological Survey

Program Manager, US Dept. of the Treasury
Mgr Radio Systems, US Postal Inspection Service
Radio Chief, US Secret Service
Telecomm Admin., WA State Dept. of Ecology
SIEC Project Manager, Washington State Patrol

Other Enterprise Users

RN, Alegent Health
Telecom Engineer, Argonne Lab
Dir Wireless Sys Core Standards, AT&T
Director, Banner Health
Principal, Booz Allen Hamilton
Associate Engineer, Brigham Young University
VP Wireless, Cantor Fitzgerald
Comm Supervisor, Central AZ Project
Senior Dir for Solutions Mktg, Cisco Systems Inc.
Associate Professor, Clemson University
Radio Communications Coord, Colonial Williamsburg Foundation
CEO, CRL Sweden
Mobile Radio Specialist, Daimler Chrysler
Comm. Specialist, Duke University
Marketing Director, Dupont Building Inc.
Systems Associate, Eastman Chemical Company
President, Flom Test Lab
Director of Security, Fontainebleau Las Vegas
RF Engineer, Fujitsu
Dir. Business Devel., General Electric Co.
Special Services, Greenpeace
Edu Tech Director, GV Christian School
General Manager, Hitachi
Telcom Spec, Isle Royale National Park
Educator, Kelso School District
Dispatch & Info Sup, Kent State University Police
Engineering, KNBC TV NBC, Inc.
Engineer, Lockheed Martin
Network Svc Specialist, Loma Univ. Health Services
VP, Env Services, Martin Environmental Solutions
Owner, MBSI Canada Ltd.
Wireless Engineer, MGM Mirage
Electronics Tech, Olympic National Park
Systems Analyst, Oregon State University
Business Analyst, Pitney Bowes
EVP, PriMedia
Communications Mgr, Procter & Gamble
Telecom. Spec., Rocky Mountain National Park
SATERN Coordinator, Salvation Army
Assistant Engineer, Samsung Electronics
IT Coordinator, San Juan College
Security Systems, Sandia National Labs
Radio Comm Splst, Seattle Childrens Hospital
Telecomm Clerk, Sequoia National Park
Comm. Mgr, South Point Hotel Casino & Spa
Dir. Network and Tel, Station Casinos, Inc.
Admin Supervisor, Stratosphere Hotel & Casino
Director, Fed Reg, T mobile USA
Rf Specialist, Texas Childrens Hospital
Assistant Supervisor, The Venetian Resort
PBX Engineer Univ. of California Santa Cruz
Network Analyst, University of British Columbia
Pbx Engineer, University of California
Research Associate, University of Guam
Sr RF Engineer, University of Oregon
Project Manager, University of Rochester
Director, Vegas PBS
SR. Rf Engineer, Verizon Wireless
Systems Admin, Washington County School Dist
Network Engineer, Wyle Labs
Associate Director, Yale Unversity
Electronics Tech, Yellowstone Natl Park
