

WEARABLE TECHNOLOGY PAVILION

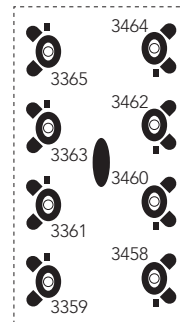

Did you know that the wearable tech market is projected to be worth \$34 billion by 2020*? Wearables including body cameras, smart glasses, belts and sensors are a good chunk of that. If your company offers these types of products that can be utilized in critical communications, then you need to be part of IWCE's Wearable Technology Pavilion. The unique display provides the perfect platform to showcase your products to IWCE attendees. **Limit: 8 stations.**

Turn-Key Package Includes:

- One branded pedestal with a locking door (40" high by approximately 1 M in diameter)
- One ½ female mannequin with head
- Two stools per station and navy blue carpet
- One double sided 18"x18", 8' high pole sign with company logo and booth #
- 5 amp drop: one 500 watt connection per station
- Wi-Fi (*Maximum of 2 devices may be connected to the Pavilion's Wi Fi hot spot)
- Three Exhibitor Badges
- Listing in the Official IWCE Show Directory and Mobile App

Wearable Technology Pavilion is branded with an 1 Meter x 11' High lit tower. This is shared space and exhibitors must stay within the 5x10 space provided. Pricing includes standard carpeting. Any service ordered that is not included in the station inclusions above are the responsibility of the exhibitor. See Exhibitor Services Kit located in the [Exhibitor Console](#) for more information.

Pricing: \$2,500
